**INFORMATION BULLETIN**  
**Requirement for Reroof Permit**

**Ref No**  
**IB1004**

**ATTENTION:**

Effective immediately, The City of Bakersfield Building Division is rescinding Building Bulletin #1, revision dated 10/12/1992. This Bulletin addresses reroof requirements based on Uniform Building Code standards which are outdated. The City requirements for reroof projects will follow the current adopted State Code with local amendments. The City will no longer be allowing the exemption from permit for reroof projects less than 30 % of the entire roof area. All reroof projects will be required to obtain a permit.
