

## IMPORTANT CHANGE TO YOUR SPECIALTY PHARMACY

As a new member to Blue Shield of California, we want to provide you information about the Network Specialty Pharmacies available with your plan.

Your prescriptions for specialty drugs **must be** filled by a Network Specialty Pharmacy in order to be covered by Blue Shield. **Starting January 1, 2016, you have the following Network Specialty Pharmacy options to continue receiving your specialty drugs.**

### Caremark

Phone: (800) 237-2767

Fax: (800) 323-2445

[www.cvscaremarkspecialtyrx.com](http://www.cvscaremarkspecialtyrx.com)

OR

### Walgreens

Phone: (866) 202-4014

Fax: (866) 493-2546

[www.Walgreens.com/specialty](http://www.Walgreens.com/specialty)

A list of Blue Shield's specialty drugs may be obtained by visiting at **blueshieldca.com**. Click on the *Members* (at the top of screen), and then click on *Pharmacy*. Choose *Plus Drug Formulary* and select *Specialty Drug List*.

If you have any questions or require any additional information about this change or your pharmacy benefits, please contact your Blue Shield at one of the numbers below:

- **Access+ HMO and PPO plan members:** Call the Blue Shield Member Services team at **(855) 256-9404**.
- **Trio HMO plan members:** Call the Shield Concierge team at **(855) 599-2657**.
