I hereby certify that I am qualified by training and experience to perform the inspections for which I hold the listed Special Inspector's certification.

I will certify that the job conditions are in conformance with the approved plans and job specifications. If at any time, progress occurs on the jobsite under my responsibility, without my knowledge or approval, or if I terminate my services for the assigned scope of my responsibility, I will immediately notify both the project superintendent and the City of Bakersfield, Building Department in writing at regular intervals. I will also provide a final letter certifying satisfactory completion. I understand that I shall be employed only by the Owner, Architect, or Engineer of Record.

I understand that it is my responsibility to provide the address and building permit number of all future projects to the Bakersfield Building Department prior to special inspections.
