RE: Disciplines Survey of Firms

The City of Bakersfield Public Works Department maintains a database of consulting firms that desire to be considered by the City for future projects. By completing the form below and returning it to the City, your firm will be added to our database. When the City issues RFQs or RFQ&Ps on future projects, you will be notified of that solicitation if the project is related to the types of services that your firm provides. Your efforts in providing us the correct information for your firm will help us send you only the information regarding projects that pertain to the services you provide.

Please circle the item numbers below next to the types of services your firm provides and return this same letter (keep a copy for your file) to: Navdip Grewal, City of Bakersfield, Public Works Department via fax to 661-852-2120 or e-mail to ngrewal@bakersfieldcity.us.
