### ***City Park Permits and Closing Time***

For those budding Pokémon Trainers out there using Pokémon Go and anyone else at the City parks conducting any type of commercial or organized activity - while the City of Bakersfield Recreation and Parks may be featured as a Poké Stop, please be advised that the parks close at 10:00 p.m. and no commercial or organized activity is allowed unless you have a City permit.

On another note, please keep safe by being aware of your surroundings. Look up away from your phone and look both ways before crossing the street. Also, travel in pairs if possible. That Sandshrew isn't going anywhere fast.

Stay Safe and Catch 'Em All!

**Location: All City Parks**

**Information: 661-326-3866**
