Downtown Bakersfield Parking Study Community Meeting

Date: Monday, March 26th

Time: 5:30 – 7:00 p.m.

**Location: 1300 17th St. – Room 1B
Bakersfield, CA 93301**

The City of Bakersfield, with funding from the Kern Council of Governments, contracted with a consultant to perform a study of public parking practices and management within the downtown Bakersfield area. The goal of this study is to provide the City with a baseline inventory of parking in the downtown area and to recommend applicable industry best practices in parking management.

The study areas spans from F Street to Q Street south of 24th Street and north of Truxtun Avenue, as well as north of 24th Street to 28th Street, bound by F Street and Chester Avenue.

The Downtown Bakersfield Parking Study community meeting is an important component of the overall study. The purpose of this meeting is to solicit public input for inclusion in the draft report, which is scheduled to be presented to the City Council on April 11th. This meeting will include a presentation of the findings and recommendations followed by an interactive discussion period.

If you require accommodation to attend or participate in this meeting, you must call or submit your request in writing to the City's ADA Coordinator, at 1600 Truxtun Ave, Bakersfield, CA 93301; (661) 326-3751 at least 48 hours prior to the meeting.
